Evolved Publishing, United States, 2013. Paperback. Book Condition: New. 2nd. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Evolved Publishing presents the second book in the Noah Zarc science fiction series for kids 8-13 years old. If you're looking for an out-of-this-world, action-packed adventure, and love such books as Percy Jackson, The Software, Artemis Fowl, or The Search for Wondla, then the Noah Zarc series needs to be your next thrill ride. Thirteen-year-old Noah Zarc rockets to Venus in a quest to learn more about his past. He refuses to believe his father is really the monster everyone says he is. Could there be valid reasons for everything he's done, including abandoning Noah at birth? While searching for answers to secrets no one wants to talk about, even those that have remained hidden for over a thousand years, Noah becomes embroiled in a mission that could cause the greatest cataclysm in the history of the solar system. Will his name, Noah Zarc, be forever linked to the most devastating crime in humanity's existence, all because he was in the wrong place at the wrong time? Pease's strength as a storyteller lies in his ability to connect multiple time periods imaginatively, as well as Noah's excited, fast-paced narration. - Publishers Weekly.
