McGraw-Hill Education - Europe. Hardback. Book Condition: new. BRAND NEW, Executive Toughness: The Mental-Training Program to Increase Your Leadership Performance, Jason Selk, Build your mental "muscles" to achieve any business goal People with inborn talent may be good at what they do--but only the mentally tough reach the highest plateaus in their field. And here's the best news of all: mental toughness is something anyone can learn. Director of mental training for the St. Louis Cardinals and a top-tier executive coach, Jason Selk knows everything there is to know about developing the mental toughness required for achieving any goal in you set for yourself. In fact, the techniques he outlines in this book are the same ones he used to help the Cardinals defeat the heavily favored Detroit Tigers in the 2006 World Series. Based on the vision of legendary basketball coach John Wooden, Selk's program is a simple as it is effective. But that doesn't mean it's easy. You have to put effort into your drive to success; it's the only way to build up your mental "muscles." So Selk provides hands-on daily exercises for breaking old, self-defeating patterns of behavior and replacing them with the kind can-do attitude...
