

When the Killing's Done

By Tom Coraghessan Boyle

Penguin LCC US, 2012. Paperback. Book Condition: New. 174 x 106 mm. Language: English . Brand New Book. T.C. Boyle's most powerful and fully realized work yet—terrifically exciting and unapologetically relevant—(The Washington Post). Principally set on the wild Channel Islands off the coast of California, T.C. Boyle's new novel is a gripping adventure with a timely theme. Alma Boyd Takesue is a National Park Service biologist spearheading the efforts to save the islands' native creatures from invasive species. Her antagonist, Dave LaJoy, is a local businessman who is fiercely opposed to the killing of any animals whatsoever and will go to any lengths to subvert her plans. As their confrontation plays out in a series of scenes escalating in violence, drama, and danger, *When the Killing's Done* relates a richly humane tale about the dominion we attempt to exert, for better or worse, over the natural world.
