Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Simmons from Accounting is the joke of the office. Whether it be his boss, Deloris Clayton, the new guy, Booker Wells, or even Booker s assistant, Jimmy Taylor, this bizarre, arrogant man commands no respect. But Simmons is something much more than he seems. Deloris knows this, and it won t be long before Booker learns it, too. Simmons is a hero, a master of the timescape, and he travels from place to place, and time to time at will, with no one being the wiser. Scattered throughout the timescape are the micro-cam prophets. These individuals use microscopic cameras to study the futures of anyone, anywhere, from any time. Simmons has received predictions and warnings from a total of 15 of these prophets, and the wizard Abberule -- who doesn t realize that his powers come from the same technology that Simmons uses -- has vowed to put a stop to this incredible power. Simmons, Deloris, and Booker team up to follow Abberule to 15 distinct locations in time and space to prevent his efforts to assassinate the micro-cam prophets. There is also the shadow of Simmons greatest enemy, the other side.
