Mcgraw-Hill Education Ltd Okt 2009, 2009. Taschenbuch. Book Condition: Neu. 214x141x24 mm. Neuware - Collective wisdom refers to knowledge and insight gained through group and community interaction. At a deeper level, however, it is about our living connection to each other and the interdependence we share in our neighborhoods, organizations, and world community. Based on nine years of research, The Power of Collective Wisdom shows how we can reliably tap into the extraordinary cocreative potential that exists whenever human beings gather together. Stories and historical examples illustrate how collective wisdom has emerged in a range of cultures, settings, and traditions, and the authors offer a set of practices to help readers realize the key lessons of the book. Praise for The Power of Collective Wisdom This book, full of experience-based principles and practices, can help everyone learn how to access the wisdom of groups and communities. Finally, a book that explains what collective wisdom is, and how to harness this wisdom if we hope to survive as a species! -Peter Coughlan, Partner and Coleader of Transformation Practice, IDEO Wisdom appears most readily when we are willing to be together, in patience, acceptance and curiosity. This gift of a book reacquaints us with this fundamental human experience and provides gentle, skilled guidance for how we might encourage wisdom to enter us. -Margaret J. Wheatley, author of Leadership and the New Science and...
