THE ADVENTURES OF TEN LITTLE SQUIRRELS

America Star Books, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about family unity, science, geography, career awareness, social network, determination, and the benefits of using our natural resources to promote success and well being for the benefit of everyone. The primary focus of this book is on the family unit and the need to help young children view the importance of the family as a necessary basis for learning, working and achieving success. The book also focuses on science as a basis of some of our health needs as well as the rich resources found in plants. The book takes readers on imaginary adventures with each squirrel as they venture into the unknown world learning, working individually and in groups, exploring, networking and etc while they attempt to seek their fortune in this global multicultural world. The imaginary trips takes the reader to the seven continents where they find rich resources in the world of nuts as well as the many benefits of each nut in promoting health, success and well being for all. Next, the book attempts to introduce readers to some of the many individuals who have and are attempting to promote health in all individuals. Finally, there is a somewhat introduction to career awareness, education, and a look at the benefits of family own businesses in so many communities.
