Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Mourn, Sons and Daughters of America! mourn. A great light has gone out. A bright star has disappeared from the horizon. A glorious Sun has gone down in the West - never again in our world to rise. Mourn - Statesmen of America! - mourn! One of the wisest and most experienced (of your number,) that have graced the annals of our history, has joined the great and the good, in the world above. Mourn - Patriots of America! The soul of one of our country s noblest sons, has winged its flight to the Spirit land. Mourn Philanthropist and lovers of Liberty throughout the world - a great benefactor of his race has been gathered to his Fathers. Mourn - for Henry Clay is dead! Already have the chambers of our Legislative Halls been clad with the drapery of mourning; - already have the associates of his trials and conquests, in the great arena of his intellectual conflicts, paid the last tribute of affection to the memory of the mighty dead. Already has the solemn procession wended its way through our crowded cities, our busy towns, our smiling Villages - amid tolling bells, and booming cannon; and with thousands of torches illuminating the darkness of midnight, bearing the lifeless remains to the silent city of the dead. Already have thousands, and tens of...
