## Reviews

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

Nightboat Books, United States, 2015. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book. In hart island, the poet narrator walks and works in the East Village of Manhattan navigating the day to day needs and desires of a community, an organization, a changing neighborhood, as well as her own. The poem, which begins after she discovers the existence of an appropriated, politically walled-off potter s field/prison, proposes that others are not figurative or metaphorical, but are literal, material that alterity can be both a limit and radiance. Praise for Stacy Szymaszek: Each poem is what I am looking for: a resonance with a particular location, an intelligence unafraid of its humanity, a sort of desperate adequacy with the people or objects that Szymaszek encounters. Etel Adnan.
