## 6367: OR 40 WAYS TO GET KILLED WITHOUT SEEING COMBAT

Outskirts Press. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.6in. x 5.6in. x 1.0in. 6367 or 40 ways to get killed without seeing combat The years between 1963 and 1967 are the years that changed America forever and they did a pretty good job on me as well. The struggles in ones life can be defined by the events that happened to them. In my case, everything that happened to me had a perceived life or death aspect to it regardless of what it was in reality. You dont have to be in combat to get killed in the service. You just have to be in the wrong place at the wrong time. Narrowly escaping an event that could be fatal brings a little relief laughter afterwards. Thats where the humor lies with how I got into the situation, what I did while it was happening and how I got out of it to tell this tale of 6367. America was growing up nice and easy until John F. Kennedy was assassinated; after that the world seemed to jump start that growing up process. Vietnam became a war. Hippies were preaching love while race rioters were burning cities. Hell Angels and the police were beating up protesters and concert goers. There were collage kids burning their draft cards while women were burning their bras and listening to invaders from Britain called the Beatles. Thats what they were doing while I was running into all the discipline the Navy had to offer. All I wanted was a place to sleep each night, eat regularly, learn a trade and hopefully grow up a little. Instead I discovered that I had volunteered myself into bondage for 4 years and put myself into harms way at the same time. The Navy was nothing like...
