AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Lotus Flower is a collection of poetry about healing; mother nature; love; relationships; spirituality; religion; depression amongst many other subjects. The Lotus Flower stays close to mother nature throughout. The poems were written in order to heal from mental health illness and gain a new life of spirituality and wisdom. The poetry depicts life in its minute form and brings small things to life. The poetry is written from a feminist point of view covering many areas of femininity and mother nature. Beginning with the poem My Brand New Book, shows my second chance in life of writing and living, still staying natural to my environment and my experiences. As the poems develop and come out of their shell I write about depression and relationships, asking the question: Who am I ? continuously. The title is inspired from the poem About Ancestor Voices and it was after this poem my poetry was growing into another dimension, especially the lines: The lakes are laid with the Lotus, As they have fought from the depths of waters , Carrying hope, light and purity in their shield like petals. The poetry develops into My World and A Poetess Grows showing the development in the poetry reflecting life. As it develops I express the importance of childhood and religion. As identity in finding life back is explored I return to religion and back to nature. After writing The Phoenix the poetry expresses love and resurrection and how much we can learn from mother nature.
