

Direct Pay: A Simpler Way to Practice Medicine

Filesize: 1.85 MB

Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

(Dr. Rashawn Lang)

DIRECT PAY: A SIMPLER WAY TO PRACTICE MEDICINE

Taylor Francis Inc, United States, 2015. Paperback. Book Condition: New. 235 x 158 mm. Language: English . Brand New Book. Direct Pay: A Simpler Way to Practice Medicine examines the direct pay business model as a policy alternative and potential policy solution to the economic, technological, and sociocultural problems that have emerged for practicing physicians as a result of the Affordable Care Act. Based on a research study conducted by the author, the book addresses key research issues that are supported by theory and recent literature. The research and hypotheses presented in the text are tested and proven through a set of questionnaires, interviews with direct pay physicians, and case studies that illustrate how the subject originated and why it is gaining momentum in today s challenging health reform environment. The book provides guidance on direct pay from a public policy perspective. It examines the impact of recent health reform policies and provisions on direct pay physicians, including the individual mandate and universal coverage provisions, patient-centered medical home (PCMH) certification and model of care, provisions to expand Medicaid and changes to reimbursement for Medicare, policy changes from HIPAA, and the HIT policy of Meaningful Use (MU). The book analyzes the organizational style and culture of the participating direct pay practices using theoretical and practical tests of the Competing Values Framework. It not only gauges the practices and policy implementation of direct pay practices, but also searches for variations between pure versus hybrid organizational identity of direct pay practices, and variations between direct pay practices operating on all-inclusive, fee-for-care (FFC) models versus fee-for-service (FFS) payment models. Providing a fundamental understanding of direct pay, the book highlights emerging trends and supplies authoritative analysis on how the direct pay business model can help to advance the practice of medicine through improved efficiency and...
