Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Cameron Kane is currently the hottest property in the NFL. His life is dedicated to becoming the best of the best and he does not want anything to get in the way of that. Therefore, he sees dating women as a distraction and one that would potentially make him lose focus on his aim of becoming the best of the best. However, he knows that one day he will have to hang up his boots and he desperately wants a son to be able to follow in his footsteps. When Cameron hears about a designer baby clinic that will allow him to choose the sex of his baby and ensure the baby is healthy, he is excited about the prospect. He can be guaranteed a perfectly healthy baby boy without all the baby mother hassle. Delilah is the cute and curvy college student who is set to be the surrogate for the football star s designer baby. As soon as Cameron sets his eyes on her, he knows she is the perfect woman for this. The arrangement is simple, \$500k and she will hand the baby over after birth with no further contact. No phone calls, no emails, no contact whatsoever. However, when tragedy strikes, it promises to turn this simple arrangement on its head as Cameron and Delilah find themselves getting closer than was ever laid out in the contract.
